

## ROSELLE CATHOLIC HIGH SCHOOL'S S.T.E.M. COMPETITION 2017

And the winners are...

On Wednesday, January 11<sup>th</sup>, Roselle Catholic High School held its annual STEM (Science, Technology, Engineering, and Math) Competition.

Participating Schools entered two teams each to build a catapult. Teams were judged according to their catapult's ability to project an object on the following criteria: performance (distance and accuracy), design, and teamwork.

Here are the results:

- First place winners, Holy Spirit School's Team A: Isabella Abesamis, Mikaela Fazio, Kate Osorio, and Zegale Talmadge
- Second place winners, Holy Spirit School's Team B: Abeenaele DeMesyeux, Roman Kuziw, Gianna Rizzolo, and Alyssa Stephen

We are quite proud of the aforementioned 8<sup>th</sup> graders. CONGRATULATIONS! I thank Mrs. Andrea Neuman (6<sup>th</sup> grade teacher) for registering our students into the completion and for working with them throughout.

- Armand Lamberti, Principal
